

# November

## Willard South First Grade Newsletter

We are learning:

**Math**-We will learn to use subtraction strategies to solve subtraction facts to 20.

**Science**-We will learn more about the weather.

**Writing**-We will continue to write informational stories.

As we are teaching others in our writing, we will include a topic sentence, supporting details, and a concluding sentence. Using good punctuation will also be stressed.

**Reading**-We will continue learning strategies to help in comprehension. We are also learning more about character traits.

**Spelling**-We will continue segmenting sounds and putting sounds back together. We will be working on L and R cluster words. We will also be working on long and short vowels.

## 7 Habits Principles

### Habit 3—Put First Things First

To put first things first:  
I will spend my time on things that are most important. I will say no to things I know I should not do. I will set priorities, make a schedule, and follow my plan. I will be disciplined and organized.

### Important Dates/Announcements

+School will NOT be in session on Friday, November 3rd, Monday November 6th, & Tuesday, November 7th.

+Hat Day is Tuesday, November 14th. Please have your child bring a canned or boxed food item for the district food pantry.
