

# September

## Willard South First Grade Newsletter

We are learning:

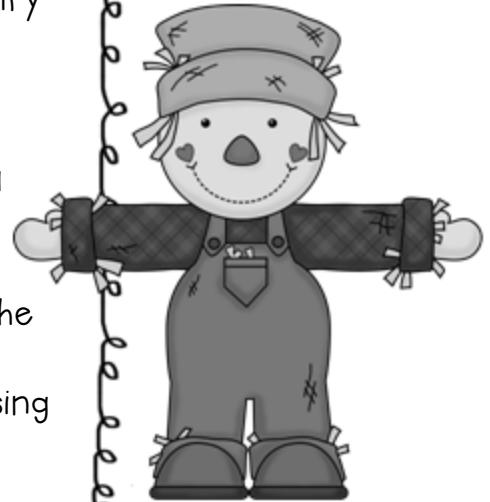

**Math**-We will learn to add and subtract within 10.

**Science**-We will learn more about the Scientific Inquiry Process, write hypotheses, do an experiment, and record our data.

**Writing**-We will be writing small moment stories to increase our writing stamina. We will learn to make a plan as we write stories with a setting and in sequence (beginning, middle, end).

**Reading**-the major goal is to reinforce and build on the essential reading skills. Students will describe characters, settings, and major events in a story, using key details.

**Word Work/Phonics**-We will be identifying beginning, middle, and ending sounds. We will also start segmenting sounds into words.

## 7 Habits Principles

Habit 1—Be Proactive.

To be proactive:

I must be a responsible person. I take initiative. I choose my actions, attitudes, and moods. I don't blame others for my wrong actions. I do the right thing without being asked—even when no one is looking.

## Important Dates / Announcements

- + School will not be in session Friday, September 1st & Monday, September 4th.
- + Service Day is Tuesday, September 5th. (Students may wear a hat and bring a can good for the food pantry.)
